KITCHEN WATER HUB SOLUTIONS

MAKING KITCHEN LIFE EASIER

Drink. Prep. Clean. Everything you need, all in one place.

When it comes to investing in the right tools and equipment for your kitchen, you should never compromise on your sink, faucet and accessories. These three components work together to create your BLANCO UNIT, and are designed to provide an exceptional experience with water in the kitchen. With over 95 years of experience in kitchen water hub design, you can trust and appreciate the first class function, ease of care and German engineering that comes with every BLANCO UNIT.

With a wide range of materials, installation methods, styles and finishes, a BLANCO UNIT provides a versatile kitchen solution for many different households and lifestyles.

WHAT IS A BLANCO UNIT?

Everything you need, all in one place.

BLANCO UNIT
drink. prep. clean.

A BLANCO UNIT is a seamless, fully-integrated, kitchen water hub solution designed to make everyday life in the kitchen easier. The combination of a BLANCO sink, faucet and accessories streamlines how you operate in the kitchen and enhances your experience with water. Everything you need to **drink, prep and clean** is all in one place.

The water hub plays a vital role in kitchen activities, over 60 percent of kitchen time is spent in this space. The BLANCO UNIT meets your needs by being a source for drinking and cooking assistance, a place for food preparation and a system for cleaning up life's messes.

There are endless opportunities to customize your BLANCO UNIT based on your design and functional preferences. Look to our suggestions to build a unit that resonates with your household lifestyle. No matter your selection, you can trust BLANCO with over 95 years of international experience bringing high-quality products and solutions to your kitchen.

DRINK

Your source of water. Water plays an essential role in kitchen life. When it comes to accessing water in your kitchen, you want a smart and trustworthy solution. A BLANCO UNIT will provide you with a beautifully-designed faucet that is functional and intelligent.

PREP

Focus on the food. Having a well-thought-out solution that simplifies your workflow will make things easier and save you time. Put your energy and focus into your next culinary masterpiece with the help of a BLANCO UNIT. Premium sink and accessory combinations streamline meal prep and reduce clean-up.

CLEAN

Clean up as you go. Life in the kitchen can get disorganized, especially under the sink. Complete your BLANCO UNIT with the innovative BOTTON II, a storage system designed to hold cleaning supplies and recycling material under the sink and out of sight. Don't sacrifice space, maximize it.

HOW TO CHOOSE A BLANCO UNIT

Seamlessly integrated sink, faucet and cabinet organization.

Planning a kitchen

Kitchen planning starts with people. From eager foodies to gourmet chefs, we all actively use kitchens and appreciate them as the heart of our homes. We are all different, but we all want to enjoy the time we spend in the kitchen.

Detailed measurements and an understanding of access points for water, drainage and power supply are critical parts of the kitchen planning process. Every kitchen has three key areas: the water hub (sink and faucet), the cooking area (oven and stove) and storage (cabinets and refrigerator). Together they form the working triangle. When defining these three spaces, try to keep the distance between them tight while still allowing enough space for safe maneuvering.

The key role of the water hub

The busiest area in the kitchen is the water hub, where we spend over 60% of our time. Although usage varies, we all generally use the water hub in similar ways: the cleaning station to eliminate dirt and bacteria from food and kitchenware, the hand-washing station, the source of cooking & drinking water and as a disposal area for food waste and liquids.

Know your options

Style, color and material combinations are key factors in building the right kitchen water hub. Mix and match our products and create the perfect combination that appeals to your customers' style and meets the needs of their lifestyle.

A BLANCO UNIT starts with a sink

There are strong trends in kitchen design for various sink styles, but the decision should be made based on how the water hub will be used. There are many options to consider: farmhouse or standard undermount, single bowl or double bowl, Silgranit or stainless steel. With so many great options, it helps to take a few minutes to consider the priorities of your customer.

Faucet styles, features & finishes

Our high-quality faucets are easy to use and durable. Sustainably re-engineered with water saving benefits, determine what style will fit the design of your customers' kitchen. Make sure your customer also understands critical faucet dimensions like height and reach. This will ensure there is adequate clearance above the faucet and that it's proportionate to the size of your sink.

Enhance with functional accessories

Find the right accessories that support the way your customer will use their kitchen. Enhance their unit with a soap dispenser, a strong cutting board that can be placed over the sink or a foldable grid and create a seamless workflow experience. Accessories will help customize a UNIT to meet specific needs.

Maximize your base cabinet

The combination of a BLANCO faucet and sink has benefits that will last a lifetime, but to truly make the most of this area, you must organize it! Sink cabinets have great potential for optimizing workflow by keeping cleaning products and/or recycling items organized and easily accessible, providing a clean, flexible solution right where it's needed.

Get inspired

As a starting point, we recommend finding inspiration for your customers' UNIT on the following pages. They contain a curated selection of products that seamlessly combine to create amazing water hub experiences. Turn daily chores into joyful moments with a practical and beautiful BLANCO UNIT.

Turn the next page to find our UNIT Inspirations.

UNIT Inspirations

Color-coordinated

- Inspire design-minded customers who crave a streamlined look with a Silgranit sink and faucet. Our exclusive collection offers nine nature-inspired hues to build a unified BLANCO UNIT.
- Silgranit sinks are made of up to 80% quartz sand – the hardest element of natural granite. Advanced engineering offers unsurpassed durability and low maintenance cleaning.
- Customize the level of color in the faucet with either our full or dual finish offerings. Available in three distinct styles, all re-engineered with water saving benefits.
- Bring calm to the chaos under the sink. The BOTTON II is an organization and waste separation system to maximize storage.

Semi-pro statement in matte black

- Looking to make a statement in the kitchen? Start with a BLANCO UNIT showcasing industrial design elements and a semi-pro faucet in Matte Black.
- Opt for a classic stainless steel sink or a pop of Silgranit color. Both materials are designed to enhance the look and function of this sleek UNIT configuration.
- Add a semi-pro faucet in our new Matte Black finish. Bold and edgy, a Matte Black faucet with the performance benefits of a semi-pro never goes out of style.
- Customize this UNIT for the ultimate workstation by incorporating grids, baskets and cutting boards.
- Prevent clutter and store sink accessories, cleaning supplies and recycling materials with the BOTTON II.

BLANCO AT A GLANCE

1925
HEINRICH BLANC started Blanc & Co. in Oberderdingen, Germany and began the production of tin plated copper containers.

1951

The company’s finest hour came with the production of stainless steel sinks.

1965
The 4 millionth sink came off the production line. Innovations in the range of products continued.

1981

BLANCO begins production of colorful sinks made of the granite composite material known today as Silgranit.

1988
The sales and distribution of BLANCO products for the United States of America begins. BLANCO AMERICA is founded in Blackwood, New Jersey.

1995

25 millionth sink was produced. The second worldwide Silgranit manufacturing facility is established for North America, in Toronto, Canada.

2014
50 millionth sink is manufactured in Germany. Expansion of North American Silgranit manufacturing plant.

2016

BLANCO introduces the IKON – the world’s first farmhouse sink made of Silgranit. This revolutionary farmhouse sink collection is made in Canada.

2021
New Silgranit color, Coal Black was launched in North America with color-coordinated faucets.

2021

VINTERA modern farmhouse sink collection was launched, receiving global recognition and earning RedDot and iF design awards.

Family-owned since 1925, BLANCO’s history began with a team of 30 loyal employees producing copper galvanized parts in Oberderdingen, Germany. Over 95 years later the company is now a leading brand worldwide with subsidiaries in Europe, North America and Asia. BLANCO has a presence in 100 countries with headquarters and key production sites in southwest Germany, Canada and Czechia.

BLANCO focuses on systems that are meticulously designed down to the finest detail for kitchen water hubs in households around the world. BLANCO systems are known for their modern design, ergonomic handling and reliable product quality. BLANCO is committed to sustainably upgrading residential kitchens with products that enhance and assist with drinking, prepping and cleaning.

BLANCO AMERICA operates out of its Corporate Head Office & Distribution Center located in Lumberton, New Jersey.

SILGRANIT® SINKS

Beautiful. Strong. Clean.

Silgranit sinks are admired around the world for their exclusive styles and designer color palette. The kitchen has become a central point in our homes and a reflection of our lifestyle. And your sink is an integral part of your daily kitchen routine. With such a wide assortment of styles, configurations, colors and sizes, we know you will not only find, but also fall in love with your new Silgranit sink.

Exclusive Design. Our Silgranit portfolio is offered in nine different colors and features over 300 exclusive sink designs for you to choose from. Modern farmhouse styles and spacious undermounts in striking hues like our latest Coal Black, will make your Silgranit sink the statement piece you've been looking for.

Unsurpassed Durability. A Silgranit sink is the ultimate choice for long-lasting kitchen bliss. Silgranit sinks use advanced engineering to produce a material that easily withstands everyday wear and tear. Scuff marks from knives and heavy pots, boiling water, hot pans and baking trays straight from the oven – don't stand a chance against Silgranit.

Easy to Clean. Silgranit has a non-porous, smooth stone surface that repels water and liquids, making it stain-resistant and easy to clean. Our patented Hygienic+Plus surface protection formula reduces bacteria growth by an average of 98%*. This low-maintenance, long-lasting material will help make life in the kitchen easier.

Silgranit sinks are made of up to 80% quartz sand, the hardest element of natural granite. BLANCO was the first granite composite sink manufacturer to meet the Terrazzo, Concrete and Natural Stone Plumbing Fixtures Standard (CSA B45.8-18/ IAPMO Z403-2018). Silgranit sinks are tested, certified and listed as a composite stone material and are proudly made in North America at our manufacturing facility in Toronto, Ontario, Canada.

*Tests carried out by an independent laboratory in 2011 on behalf of BLANCO confirm anti-bacterial properties. Tests done with bacterial stems ATCC 8739 and ATCC 6538.

BUILD A COLOR-COORDINATED BLANCO UNIT

Make a stylish statement in the kitchen. The design dialog is not complete without color. Our Silgranit sinks and faucets create a streamlined look when paired together. With nine nature-inspired hues to choose from, there are endless combinations to build the perfect color-coordinated BLANCO UNIT for any home.

BLANCO SILGRANIT® COLOR PALETTE:

COAL BLACK

Captivating. Intense. Endless Black.

Discover amazing new design opportunities with the ultimate black accent for your kitchen. Our latest Silgranit color, Coal Black, is a deep, intense, flat black that coordinates beautifully with matte cabinetry and countertop finishes found in contemporary kitchens. Whether you want a light kitchen with black accents, or a dark, dramatic monochromatic kitchen design, Coal Black is the perfect choice for those who love **bold design**.

No speckles. No sparkles. Just black. Coal Black is a pure, flat, seemingly endless black color with a smooth silk-matte feel. This tastefully eye-catching shade of black comes with the same quality, performance and material benefits of our other Silgranit colors.

VINTERA™

Modern simplicity. Vintage inspired.

The combination of vintage inspiration and modern design brings the new VINTERA farmhouse sink collection. With all the material advantages of Silgranit, a slim 6 ½-inch apron and a generous 9-inch bowl depth, the VINTERA is both spacious and sleek. This new farmhouse family launches in two models, the VINTERA 30 Super Single and the VINTERA 33 Equal Double.

Its streamlined apron design and versatile installation capabilities are what make this farmhouse family so exceptional. Farmhouse sinks are typically installed as undermounts, but the VINTERA allows for a striking flushmount installation – visually showcasing a beautiful rim of Silgranit color. The VINTERA collection offers homeowners a modern, clean, simplified version of the apron front sink style.

IKON®

Apron front masterpiece defined.

Optional accessories - floating grid and mesh basket

Rounded corners and smooth Silgranit material

Beech cutting board available for all IKON models

The IKON collection combines the popular farmhouse style with the added benefits of our patented Silgranit material. With its prominent 10" apron, the IKON is the perfect farmhouse sink for relaxed, modern country kitchens boasting craftsmanship and rustic charm. The IKON collection is a fresh take on a classic style, made in a durable material that will withstand the demands of your busy family.

The revolutionary IKON collection comes in all nine Silgranit colors in four different models: IKON 33, IKON 33 1-3/4 LOW DIVIDE, IKON 30, and IKON 27. IKON sinks feature custom accessories and a slightly angled apron design, adding a subtle, architectural detail.

PRECIS™

Be prepared for the unexpected.

The PRECIS collection is one of our largest sink families with over 10 different sink models offered in a range of interesting styles. Modern design details and crisp, clean lines define the PRECIS family; tight radius corners, raised platforms for mesh baskets and low bowl divides to name a few. A wide selection of BLANCO accessories such as grids, cutting boards and baskets are also available, bringing design and culinary experience to the next level.

STAINLESS STEEL SINKS

Classic. Timeless. Beautiful.

Over 95 years of experience in kitchen technology

BLANCO offers the ultimate in stainless steel quality and craftsmanship. A stainless steel sink is timeless and integrates beautifully in any kitchen environment.

Built with superior steel, convenient features and German engineering, BLANCO offers a wide range of stainless steel sink styles designed to suit a variety of floorplans and design themes.

Made from premium quality 304 series, 18/10 chrome-nickel content, BLANCO stainless steel sinks are engineered in Germany to exacting standards of precision. BLANCO sinks and faucets are supported by a Limited Lifetime Warranty.

Quality

BLANCO sinks are made from superior quality stainless steel with 18/10 chrome-nickel content. BLANCO stainless steel sinks will keep their brilliance and value for decades.

Durability

Stainless steel is impervious to water stains and calcium deposits and is easy to maintain. It is non-porous, rust and stain-resistant. BLANCO stainless steel is also heat-resistant.

Design

BLANCO's stainless steel selection offers a wealth of design options and product features. Rounded or tight corners, different bowl depths, sink shapes and configurations – you can discover them all.

Accessories

Sink grids, cutting boards and colanders are offered with many BLANCO stainless steel sink models to create the ultimate BLANCO UNIT experience.

PRECISION™ R0

Art of precision in every detail.

The PRECISION collection offers some of BLANCO's finest stainless steel sink technologies. Precision, symmetry and craftsmanship are united for an extraordinary experience. This collection has a wide product assortment demonstrating quality and design innovation. From undermount sinks with crisp lines and zero radius corners to our velvety-matte Durinox farmhouse, PRECISION sinks are the ultimate choice in kitchen design.

Zero radius corner

PRECISION R0 DURINOX

Durinox Stainless Steel

- Made in Germany
- Velvety-matte Durinox surface
- Rear-positioned drain hole maximizes cabinet storage
- Zero-radius corners
- Highly resistant to scratches; twice as hard in comparison to conventional stainless steel surfaces
- Limited Lifetime Warranty

The Durinox production process
Shot peening is a hardening process which entails using millions of tiny stainless steel balls to impact both sides of a sheet of stainless steel at a speed of 186 mph. This surface treatment is followed by an extremely precise restoration process that returns the stainless steel sheet back to a level state, resulting in a resilient surface that is twice as hard as traditional stainless steel.

PRECISION™ R10

Where elegance meets pure design and innovation.

Being the first to introduce the concept of 10 mm radius corners, BLANCO brings the PRECISION R10 collection with elegant, slightly rounded 10 mm corners that are smooth to the touch and practical in use. Crafted with precision from premium 18-gauge stainless steel, PRECISION R10 reflects BLANCO's commitment to superior quality, technology and design innovation.

Notes:

Sink Rails:
Our multi-purpose sink rails are made of stainless steel and capped in hard plastic to provide a secure point of contact on the interior ledge of the sink. Hang and dry cloths and sponges, suspend pots and colanders over the sink or use on your countertop as a trivet for hot pots. Neatly stack to one side and save space when not in use.

FIRECLAY SINKS

Old world elegance meets sophisticated design.

Discover the classic beauty of BLANCO Fireclay.

Our Fireclay farmhouse sink collection tells a unique story. Traditional aesthetics get updated in all the right ways with flexible corner styles and modern design enhancements. Hand-finishing techniques and high firing temperatures used during the production of a BLANCO Fireclay sink results in a smooth, glossy surface that is both beautiful and easy to clean. Enjoy old world charm with the timeless beauty of BLANCO Fireclay.

Craftsmanship

Hand-finishing techniques and high firing temperatures result in a smooth, glossy, beautiful surface.

Innovative Accessories

The PROFINA sink features an innovative accessory ledge, adding functional convenience and ergonomic comfort.

Reversible Design

Our CERANA farmhouse sinks add versatility to your kitchen décor with a reversible design allowing for flexible installation options.

PROFINA™

The perfect companion for home chefs.

Innovative ledge

Beech cutting board (included)

Dish rack (sold separately)

The PROFINA farmhouse sink strives for a truly modern country experience with home chefs in mind. This massive 36-inch wide galley-style apron sink features a unique design with an innovative accessory ledge, adding functional convenience and ergonomic comfort. The PROFINA is the perfect companion for prepping, cooking and cleaning - featuring a beech cutting board and floating dish rack that fits perfectly along the inside ledge of the sink.

PROFINA

Fireclay

- 36" width galley-style ceramic sink
- Center drain location
- Extra large bowl size is ideal for busy kitchens and families
- No template or DXF file provided
- Limited lifetime warranty

* Depending on cabinet construction, a different cabinet size may be required. Consult the cabinet manufacturer.

The CERANA farmhouse sink is the first ceramic sink to provide a reversible sink design with two different apron styles to choose from. On one side, there's a slightly more traditional apron design with larger, open, rounded corners. On the other side, a slightly more contemporary look with tighter, angled corners. This versatile, reversible installation option lets you decide which apron to showcase in your kitchen.

Reversible design with two different corner styles

FARMHOUSE SINKS

Excelling in style. Excelling in choices.

A true commitment to farmhouse sink design.

Enjoy that timeless farmhouse charm – without the farm. From traditional country farmhouse to contemporary urban condo kitchens, BLANCO has the perfect apron front sink for every kitchen design. This iconic sink style originated in large farmhouse kitchens, but can now be enjoyed in even the smallest, most compact urban settings. Choose from over 60 different sink models in three of the finest, most durable materials.

SILGRANIT

Beautiful. Strong. Clean. Add color to your farmhouse sink with the IKON and VINTERA collections, while enjoying all the material benefits of our patented Silgranit material.

Stainless Steel

As a world leading manufacturer of stainless steel products, our QUATRUS R15 farmhouse collection combines the traditional farmhouse style with contemporary details.

Fireclay

Old world elegance meets sophisticated design. The creation process includes handfinishing techniques and high-firing temperatures resulting in a smooth, glossy surface.

The Durinox production process
Shot peening is a hardening process which entails using millions of tiny stainless steel balls to impact both sides of a sheet of stainless steel at a speed of 186 mph. This surface treatment is followed by an extremely precise restoration process that returns the stainless steel sheet back to a level state, resulting in a resilient surface that is twice as hard as traditional stainless steel.

Special Installation Instructions - a custom sink base and support system are required for installation of this sink. The cabinet area beneath the sink MUST be reinforced to provide sufficient support. Wood or metal support frame for the sink must support 400 lbs (182 kg).

Fireclay sink notes:

Cutout size: custom installation. Use sink as template.

To protect from damage, these models must be shipped on a pallet.

ADA SINKS

Greater accessibility by design.

Universally accessible kitchen design.

Everybody can appreciate a kitchen that is spacious, organized, safe and well planned. Effective design provides greater accessibility and implements the unique principles of universal design in a way that helps aging generations and people with disabilities truly engage with their built environment.

Designing for accessibility and the concept of aging in place is focused and intentional. Accessible design incorporates long term design elements that provide flexibility for families, couples and individuals with a diverse range of ages and abilities. Kitchen designers recognize the sink space as an important part of the working triangle, formed by the sink, stove and refrigerator. An efficient kitchen maximizes independence and maneuverability, while also keeping this working triangle compact.

Universally Accessible Kitchen Design

BLANCO helps kitchen designers, builders and plumbers keep the sink area functional and accessible by offering ADA B651 compliant sinks designed specifically for this market segment.

Material Options

Both stainless steel and Silgranit sink models are available - Silgranit is an extremely durable, granite composite material that is exceptionally easy to clean.

Undermount Installation

BLANCO ADA compliant sink models are available with an undermount installation. This provides more flexibility for the location of the faucet – install it behind or beside the sink.

Easy To Use Faucets

BLANCO has an assortment of single lever and automatically activated faucets – providing easy control of water temperature, flow and direction.

ADA Sinks

PRECIS
SILGRANIT ADA Sink

- Made in Canada
- Patented granite composite material made of up to 80% quartz sand
- Heat, scratch and impact-resistant
- Non-porous, repellent, stain-resistant - does not absorb liquids or acids

BAR / PREP SINKS

Small sinks. Big advantages. Stylish choices.

Prep in style with even more material options.

BLANCO offers an impressive lineup of bar and prep sinks in both stainless steel and Silgranit materials. Square, rectangle or round shapes in different colors add a touch of style to prep spaces. These sinks might be small, but they are packed with functional features designed to make beverage and meal prep easier. Silgranit bar sinks can also be color-coordinated with full color bar and prep faucets.

SILGRANIT

A pop of color could be the perfect finishing touch for your new bar or prep sink station. Choose from four different models in some of our favorite Silgranit colors.

Stainless Steel

The choices are endless with BLANCO's stainless steel bar and prep sink portfolio. With over 10 different models, BLANCO has a bar sink for every prep zone in your home.

LAUNDRY SINKS

Add new life to your laundry room.

Every space deserves to be beautiful.

Every room in your home deserves to look its best. Smart design is starting to permeate every corner of your home and the laundry room is no exception. Take your laundry room to the next level with clean, modern and functional design aesthetics found in our beautiful collection of laundry sinks. From timeless stainless steel to trusted Silgranit, we go beyond basic function with thoughtful design features and practical accessories.

SILGRANIT

Our LIVEN laundry sink is available in nine beautiful Silgranit colors and will add new life to your laundry room. This durable, dual-mount, 12-inch deep laundry sink will hold up to many years of heavy-duty laundry days.

Stainless Steel

The QUATRUS R15 laundry sink helps make laundry day feel a little bit easier. Soak, scrub and wash as much as you want in this roomy 12-inch deep dual-mount laundry sink. With 15 mm radius corners, you can also easily wipe away any dirt or grime that's left behind.

FAUCETS

Inspiring styles. European design.

Distinct styles and award-winning designs.

BLANCO kitchen faucets are continuously awarded prestigious international awards for design, quality and excellence. The beauty of our faucets goes beyond the surface with impeccable styling details infused from the inside out. Many BLANCO faucet collections have matching bar faucets and soap dispensers, so you can create a unified look. With over 100 shapes and sizes in beautiful color-coordinated finishes, find your dream faucet from one of our three distinct style categories.

Semi-professional

Inspired by faucets used in professional, commercial kitchens, semi-pros feature special details such as pressure sprayers, flexible spring coils and magnetic docking arms.

Contemporary

Modern, minimalistic design defines this faucet style. Sleek, streamlined features such as low arcs and pull-out sprayheads are typically seen in this category.

Classic

Traditional styles are more elegant and ornate in design, but still modern in terms of functionality and performance. The EMPRESSA Bridge is the perfect example.

EXTRAORDINARY FINISHES

The perfect finishing touch.

NEW

Color-coordinated
In addition to a variety of full metal faucet finishes, BLANCO exclusively offers color-coordinated finishes in over 25 different options, all designed to coordinate beautifully with our entire spectrum of Silgranit sink colors.

DESIGNED TO LAST

Built to perfection with sustainability in mind.

Water Conservation

The majority of BLANCO faucets have now switched from 2.2 to 1.5 GPM, providing water-saving benefits while still delivering strong water performance.

Premium Quality

BLANCO faucets are made of solid brass or stainless steel construction, with pressure resistant ceramic cartridges that are smooth in operation.

Easy Installation

All BLANCO faucets are equipped with color-coded, quiet functioning, flexible braided stainless steel inlet hoses.

Convenient Features

Many faucets include patented silicone nozzles – simply rub the nozzles with your fingertip to prevent buildup from lime scale deposits.

Functional Details

Pull-out sprayheads, dual spray, magnetic docking arms and sensor technology provide the ultimate convenience in the kitchen.

Note: All BLANCO faucets require the same size, 1 3/8" diameter drilled faucet hole. All faucet parts that are required for installation are included in the faucet packaging.

All Faucets come with a Limited Lifetime Warranty - see page 166 for full warranty
All Soap Dispensers come with a Limited 1 Year Warranty - see page 166 for full warranty

SOLENTA®
Semi-professional

Innovative sensor control

Close 2 1/2" range detection

LED display

The SOLENTA semi-pro faucet collection is available in both sensor and non-sensor versions and offers superb quality with innovative design elements. A solid brass body and flexible, high-quality hose encased in stainless steel makes this faucet both durable and easy to clean. The SOLENTA Senso provides the ultimate hands-free experience by combining reliable materials with a sophisticated start-stop technology. The SOLENTA Senso turns on with a simple hand movement and automatically shuts off after 90 seconds. All BLANCO faucets are supported by a Limited Lifetime Warranty.

SOLENTA SENSO

ACCESSORIES

Complete your BLANCO UNIT with custom accessories.

Go beyond the basics with next level meal prep.

BLANCO accessories are designed to make life in the kitchen easier. Available for undermount, drop-in and farmhouse sink varieties, accessories work together with your sink and faucet to create a seamless, highly functional kitchen water hub experience. Customize your BLANCO UNIT with our wide range of high quality, innovative accessories tailored to meet the needs of your busy lifestyle.

BLANCO accessories offer the highest quality in material and workmanship and are designed to custom fit a wide range of sink models.

Storage and Organization

Maximize space beneath the sink with the new BOTTON II, designed to store cleaning supplies and recyclables.

Organic Waste System

SOLON is made from the highest grade recycled stainless steel, collecting organic waste beneath the counter and out of sight.

Grid Solutions

The new foldable grid, which fits a variety of sinks and bowls, is a multi-purpose tool to support food prep and clean up.

Colanders and Baskets

Colanders and baskets can be used for drying dishes or for rinsing fruits and vegetables.

Cutting Boards

A wide variety of quality cutting boards are available in ash, beech, walnut, red alder and glass.

Clean with Care

BLANCOCLEAN is a sink cleaner that helps prevent build-up of limescale and other substances. Available for both Silgranit and stainless steel sinks.

STORAGE SOLUTION

BOTTON™ II

Under the sink storage reinvented.

NEW

Two removable bins offer plenty of storage to organize cleaning supplies and recycling. Easily empty recycling or bring your cleaning products into another room.

BOTTON II is an under the sink storage solution that easily fits in kitchen base cabinets. Keep your cabinets looking tidy and clutter-free, while utilizing the top tray for quick access items.

BOTTON II Storage System

- Perfect for storing recycling and cleaning supplies, the BOTTON II can be positioned on the left or right side of the kitchen base cabinet
- Easy to install on the bottom of the cabinet using just four screws
- Two 4-gallons capacity bins can be removed by lifting upwards
- Weighs 4lbs total and is 10" wide, 19" deep and 15 3/4" tall

Specification	Model #	List Price
	526376	\$ 201

Cleaning and organizing just got easier with the BOTTON II.

Say goodbye to clutter underneath the sink. Introducing the innovative BOTTON II, a storage system perfect for holding cleaning supplies and recycling material under the sink and out of sight. The BOTTON II is designed to easily fit underneath your sink, maximize storage and increase functionality of this often ignored but frequently used cabinet.

Extremely sturdy thanks to the U-shaped steel sheet profile, it features two removable 4-gallons capacity bins with handles. Enhance your BLANCO UNIT workflow while you prep and clean with the multi-purpose BOTTON II.

ORGANIC WASTE SYSTEM

We've made it easier than ever to incorporate green living into your life.

Say hello to the award-winning SOLON Organic Waste System. SOLON is created from the highest grade recycled stainless steel, effortlessly collecting organic waste from eggshells to coffee grounds, beneath the counter and out of sight.

Simple to clean and dishwasher safe, this eco-friendly solution is the winner of the prestigious international IF Product Design Award, so you never have to sacrifice style for sustainability. Welcome the SOLON Composting System into your home and enjoy the beauty of BLANCO inside and out.

SOLON™

Sustainability with style.

SOLON organic waste system traps odors inside and integrates seamlessly with the counter, so you hardly know it is there.

Simple to clean and dishwasher safe, SOLON organic waste system removes easily from your countertop for emptying and clearing.

SOLON Organic Waste System

- Ideal for food waste, the SOLON stainless steel bin can be conveniently installed in any space
- Flushmount and drop-in installation
- Frame, lid and 1.8 gallon bin made of high-grade stainless steel
- Easy to clean and dishwasher safe
- Winner of prestigious international IF award for product design

FOLDABLE GRID

One tool, endless versatility.

NEW

It is often the clever accessories that make everyday kitchen tasks so much more convenient and efficient. The new foldable grid is just that, a multi-purpose sink accessory designed to maximize space above the bowl. Use it as a rack for rinsing produce, drying dishes, heat protection for countertops or a practical addition to the worktop to help ease prep and fill pots. The options are limitless, making it an indispensable tool in your kitchen.

The foldable grid is made of high-quality stainless steel rods, connected by flexible, slip-proof silicon for added stability. When it is not in use, it can be folded up and stowed at the edge of the sink or in your cabinet. The foldable grid is a recommended optional accessory for a variety of sink and bowls.

Foldable Grid

- Multi-functional foldable grid made of durable stainless steel rods
- Heavy-duty silicon provides a slip-proof grip
 - Ideal for rinsing and drying fresh food or dishware
 - Trivet for hot pots or pans to protect countertop from heat
 - Easily fill pots without bending and add worktop space above sink bowl
 - Folding function makes it easy to store and adjust the amount of grid needed
 - Product weighs approx. 2 lbs, not suitable for the dishwasher

Accessories

For cutting boards, colanders, baskets and other accessories that need to hang on the ledge of the countertop, BLANCO recommends a sink installation with a 1/8" positive reveal around the bowl to ensure a proper fit. Accessories may no longer fit if the sink is installed with a negative reveal.

Cutting Boards

Beech Cutting Board

- Sits perfectly inside* the sink's ledge, to comfortably wash, dry, peel, and chop at countertop height
 - Beech wood material
- Suitable for countertop or in-sink use
 - For IKON and VINTERA sinks

Specification	Model #	List Price
	235010	\$ 243

* Undermount sink installation with a 1/8" positive reveal required for in-sink use

Ash Cutting Board

- Sits perfectly inside* the sink's ledge, to comfortably wash, dry, peel, and chop at countertop height
 - Ash cutting board
- Suitable for countertop or in-sink use
 - For select QUATRUS R15 and QUATRUS R0 sinks

Specification	Model #	List Price
	231609	\$ 249

* Undermount sink installation with a 1/8" positive reveal required for in-sink use

Red Alder Wood Cutting Board

- Sits perfectly on top of the sink, to comfortably wash, dry, peel, and chop at countertop height
 - Red alder wood material
- For DIAMOND BAR DUAL DECK sink
 - Cutting board fits drop-in only

Specification	Model #	List Price
	440226	\$ 174

Cutting Boards

Red Alder Wood Cutting Board

- Sits perfectly inside* the sink's ledge, to comfortably wash, dry, peel, and chop at countertop height
- Suitable for countertop or in-sink use
- Red alder wood material
- For VALEA SUPER SINGLE sink

Specification	Model #	List Price

Sink and Faucet Care

How to Clean SILGRANIT

Daily cleaning: to clean marks and everyday traces of use from your sink, all you need is a sponge, mild dish soap or baking soda and water:

- Moisten the sponge under running water
- Add a small amount of dish soap or baking soda onto the soft side of the sponge
- With the soft side of the sponge, wipe in small, circular movements
- Rinse your sink with clean water and dry it with a microfiber cloth

Weekly cleaning: Limescale is a common challenge for Silgranit sinks. Did you know that most stains are caused by discoloration adhering to limescale? When you remove limescale, you also remove stubborn stains. We recommend removing limescale before starting any deep cleaning process. BLANCOCLEAN Daily+ for Silgranit or any mild acid-based cleaners (like lemon or vinegar) will remove limescale.

- Pour BLANCOCLEAN Daily+ on the sink area to be cleaned
- Leave for 1-2 minutes to take effect
- Wipe with a wet cloth or soft sponge
- Rinse the surface with water and dry with a microfiber cloth

Deep cleaning: once or twice a year we recommend to deep clean your sink with a mild liquid/gel laundry detergent:

- Close the sink drain
- Distribute the liquid/gel laundry detergent evenly onto the sink surface
- Fill the sink with hot water (heated up to 60°C / 140°F)
- Leave it to work at least 2 hours or ideally overnight
- Drain the solution and rinse the sink thoroughly with water
- Dry with a microfiber cloth

Want more tips on how to remove limescale, metal abrasions, and keep your white sink looking white? Visit our website at blanco.com/sgcare

How to Clean Stainless Steel

Daily cleaning: stainless steel surfaces are best cleaned immediately after use. This helps prevent limescale. The process is quite simple:

- Squeeze some dish soap onto the soft side of a sponge
- Wipe the stainless steel surface in the direction of brushed finish
- Rinse with clean water and dry with a microfiber cloth

Weekly cleaning: BLANCOCLEAN Daily+ for stainless steel is a gentle formula that provides extra care to reduce limescale and soap scum buildup. Regular use is recommended to extend the life of your BLANCO sink.

- Pour BLANCOCLEAN Daily+ directly onto the sink
- Let sit for 1-2 minutes to take effect
- Wearing a glove wipe with a wet cloth or soft sponge
- Rinse the surface thoroughly and dry with a microfiber cloth

Avoid these cleaning mistakes:

- Do not use aggressive cleaning agents, abrasive cleaners or bleach containing hypochlorite
- Do not use cleaning baths for silver
- Do not use prickly brushes or the scratchy side of sponges (especially pot scouring pads)
- Never use steel wool for cleaning

Aggressive cleaners and brushes can cause scratches and permanently damage the surface of your stainless steel sink. Learn more cleaning tips for stainless steel by visiting our website: blanco.com/sscare

How to Clean Faucets

Daily maintenance: When turning off your faucet with wet hands, you almost always leave drops of water on it. These dry and leave limescale behind. Visible limescale can form quickly, particularly in regions that have hard water. If you have hard water, you should dry the surface of your faucet with a microfiber cloth after each use. This will allow you to extend the intervals between regular cleanings.

Regular cleaning: If limescale has formed on your faucet, treat this with a mild, organic acid, e.g., a solution of acetic or citric acid. Important: before applying the substance, check whether your surfaces are resistant to acids. To remove limescale:

- Apply the cleaning agent to the soft side of a sponge and wipe the faucet down thoroughly
- Be sure not to leave acid-based cleaner on for longer than indicated on the package instructions
- Avoid lengthy, vigorous scrubbing with the rough side of a sponge, this can leave scratches
- Rinse the faucet with clean water and dry with a microfiber cloth

Have you ever used a dirt filter? Or cleaned an aerator? Visit our website to learn more: blanco.com/faucetcare

Tackle Limescale with BLANCOCLEAN

Limescale is a daily challenge for sinks. Did you know that most stains are caused by discoloration adhered to limescale? When you remove limescale on a regular basis, you also remove the likelihood of stubborn stains in your sink. Tackle limescale deposits quickly and easily with the help of our BLANCOCLEAN Daily+ cleaners, available in formulations for both stainless steel and SILGRANIT.

Terms and Conditions

Important: Our Terms & Conditions have changed

\$100 minimum order on all PO's except for parts

- All sales are Net 30 days

- Prices are subject to change with 30 day notice. All orders will be invoiced at the prices in effect at the time of receipt of order.

- Upon delivery, if there is visible damage to the carton, claims against breakage and/or shortages must be made at time of receipt against the carrier. Also, please notify BLANCO of any breakage or shortage within 48 hours.

- Concealed damage must be reported to BLANCO within 72 hours of receipt of merchandise to point of shipment.

- Any item found missing from a sink or faucet must be reported to BLANCO within 48 hours of receipt of merchandise.

- BLANCO AMERICA will not be held responsible for any cut out done without the use of and in accordance with the template or specification sheet.

- BLANCO AMERICA reserves all rights to accept an order.

- We value all our customers and aim to provide the same level of service to everyone. All rush orders where indicated will be processed and shipped in a timely manner.

- All rush orders must be indicted on the purchase order and in the body of the email.

- After placing your order, BLANCO will attempt to accommodate any additions or deletions to the order. However, once the order has been processed, staged, or placed in the delivery truck, no further changes can be made.

Returned Goods Authorization

For BLANCO Authorized Dealers

RGA Process For Uninstalled Products

- Please note that our policies, procedures, and contact information regarding ALL returns has changed.
- All returns regardless of product and/or part must be accompanied by a Return Goods Authorization Number (RGA) issued by BLANCO America.
- **BE ADVISED that our Returned Goods Authorization (RGA) system is for UNINSTALLED PRODUCTS ONLY** and now classified into two separate types with specific processes and requirements noted below. (1) Quality concerns and shipping damage and (2) All Other RGA's
- All items must be returned in their original carton and in saleable condition.
- Product must be listed in current price book.
- Product must not be altered (i.e. faucet hole drills).
- **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

Damaged or Defective RGA's

1. RGA requests for uninstalled damaged or defective products must be submitted via email to RGA@blancoamerica.com within 90 days of purchase.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO Model Number, (C) Purchase Order Number, (D) clear photo of the area in question on your product, and (E) a full view of the entire product photo. SILGRANIT® RGA requests require an additional photo of the molding label which can be found on the bottom of the sink.
3. DAMAGED or DEFECTIVE RGAs must be approved only by BLANCO's Customer Care Department with requests submitted via email to RGA@blancoamerica.com.
4. BLANCO will determine if the product must be returned. Disposition granted as “Authorization to Destroy on Site” via approved RGA will result in immediate credit. Disposition granted as “On Site Review” requires the product be returned back to BLANCO in order to proceed with evaluation of the request.
5. Once approved by BLANCO for physical return, you will receive a prepaid UPS shipment label. Apply this to the carefully packaged product. The Returns Authorization MUST BE INCLUDED with the return package.
6. Call UPS for a pickup at 1-800-PICK-UPS (1-800-742-5877) or drop off at a UPS shipping location.
7. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

All Other RGA's

1. RGA requests for uninstalled NON-damaged sellable products must be submitted via email rga@blancoamerica.com. All requests are subject to review prior to approval.
2. **RGA requests must include:** (A) reason for request, (B) the BLANCO® Model Number, (C) Purchase Order Number.
3. 25% restocking fee applies to returns. All returns must be made by freight prepaid by sender and the sender must assume all responsibility for shipping damages that may occur. If a product is received damaged, there will be no credit issued. BLANCO America Inc. reserves the right to limit and or refuse any returns.
4. **IMPORTANT NOTE: All Return Authorizations will expire 30 days after issue.** Return Authorized products must be received within 30 days or credit will be denied. Credit will also be denied for return shipments that are not accompanied with a pre-approved Return Authorization.

BLANCO North America Warranty

BLANCO products are manufactured to the highest standards and meticulously designed down to the finest detail. With German heritage and engineering, BLANCO systems make significant contributions towards sustainably upgrading kitchens around the globe with everyday convenience when it comes to preparing food, drinking, and cleaning. Our warranty is the reflection of the premium quality behind BLANCO products.

BLANCO LIMITED WARRANTIES

1. LIMITED LIFETIME WARRANTY on SINKS (including SILGRANIT®, STAINLESS STEEL, FIRECLAY)

- BLANCO CANADA, INC. and BLANCO AMERICA, INC. are subject to the terms below pleased to offer a:
- i. Limited Lifetime Warranty with all BLANCO sinks used in interior single-family domestic installations;
 - ii. Limited 5 Year Warranty with all BLANCO sinks used in interior multi-residential and rental housing installations; and
 - iii. Limited 3 Year Warranty with all BLANCO sinks used for commercial purposes in interior installations.

BLANCO warrants its sinks to be free from all proven manufacturing defects in material and workmanship. BLANCO will repair or replace, at no charge, excluding labor and freight, any sink supplied by BLANCO that is proven to be defective under normal use.

2. LIMITED LIFETIME WARRANTY on FAUCETS

- BLANCO CANADA, INC. and BLANCO AMERICA, INC. are subject to the terms below pleased to offer a:
- i. Limited Lifetime Warranty with all BLANCO faucets used in interior single-family domestic installations;
 - ii. Limited 10 Year Warranty with all BLANCO faucets used in interior multi-residential and rental housing installations; and
 - iii. Limited 5 Year Warranty with all BLANCO faucets used for commercial purposes in interior installations.

BLANCO warrants its faucets to be free from all proven manufacturing defects in material and workmanship. BLANCO will repair or replace at no charge, excluding labor and freight, any faucet supplied by BLANCO that is proven to be defective under normal use.

LIMITED WARRANTY FOR COMPONENTS SUBJECT TO ORDINARY WEAR AND TEAR

- i. Limited 10 Year Warranty for all (i) mechanical components such as handles, cartridges, sprayheads, spray hoses, aerators and (ii) electronic faucets and components (batteries are excluded) used in interior single-family domestic installations and interior multi-residential and rental housing installations.
- ii. Limited 5 Year Warranty for all (i) mechanical components such as handles, cartridges, sprayheads, spray hoses, aerators and (ii) electronic faucets and components (batteries are excluded) used for commercial purposes in interior installations.

3. 1-YEAR LIMITED WARRANTY on ACCESSORIES INCLUDING SOAP DISPENSERS

- BLANCO CANADA, INC. and BLANCO AMERICA, INC. are subject to the terms below pleased to offer a 1 Year Limited Warranty with all BLANCO accessories and soap dispensers used in interior single-family domestic, multi-residential and rental housing, and used for commercial purposes installations.
- BLANCO warrants its accessories and soap dispensers to be free from all proven manufacturing defects in material and workmanship. BLANCO will repair or replace any accessories and soap dispensers supplied by BLANCO that is proven to be defective under normal use.

4. 1-YEAR LIMITED WARRANTY on REPAIR PARTS

- BLANCO CANADA, INC. and BLANCO AMERICA, INC. are subject to the terms below pleased to offer a 1 Year Limited Warranty with all BLANCO repair parts used with BLANCO products in interior single-family domestic, multi-residential and rental housing, and used for commercial purposes installations.
- BLANCO warrants its repair parts used to be free from all proven manufacturing defects in material and workmanship. BLANCO will repair or replace any repair part supplied by BLANCO that is proven to be defective under normal use.

BLANCO North America Warranty

CONDITIONS FOR WARRANTY

- i. Proof of purchase;
- ii. Original owner in original location installed; and
- iii. Installed, used, cleaned as recommended.

For any warranty claims, please send all information (details of the defect, proof of purchase, name, address, phone number, email address) to BLANCO at:

BLANCO America Head Office
110 Mt Holly Bypass, Lumberton, NJ 08048 United States

United States Toll-Free Phone: 1-800-451-5782
United States Toll-Free Fax: 1-800-213-1963
Email: customerservice@blancoamerica.com

Warranty Exclusions and Other Terms

See the attached additional terms.

ADDITIONAL LEGAL TERMS

BLANCO shall not be liable in case of: (A) improper installation or modification, damages resulting from abuse, such as heavy impact or dropped objects, improper care or maintenance, improper applications (such as exposure to corrosive chemicals, photographic solutions, etc.), and any modifications made to the product after it left BLANCO premises; (B) wear and tear, including chips, scratches and stains that can occur under normal use; or (C) loss or damage to any person or property whatsoever resulting from a defective product.

All transportation costs to and from the point of purchase, labor, removal and reinstallation will be the responsibility of the purchaser.

For greater clarity, accessories that accompany the sink (strainers, waste fittings, waste chutes etc.) are under separate product-specific warranties.

TO THE EXTENT NOT PROHIBITED BY LAW, NO OTHER WARRANTY, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL BE DEEMED TO EXIST IN CONNECTION WITH ANY OF THE GOODS OR SERVICES SUPPLIED HEREUNDER, AND ALL IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES FOR A PERIOD GREATER THAN THE WARRANTY PERIOD CONTAINED IN BLANCO'S LIMITED WARRANTY, ARE HEREBY EXCLUDED. BLANCO SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES IN ANY WAY RELATED TO THE GOODS OR SERVICES SUPPLIED HEREUNDER. THE REMEDIES DESCRIBED IN THIS WARRANTY ARE YOUR SOLE AND EXCLUSIVE REMEDIES AND OUR ENTIRE LIABILITY FOR ANY BREACH OF THIS WARRANTY.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. SOME PROVINCES, STATES OR OTHER JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS RELATING TO IMPLIED WARRANTIES, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES MAY NOT APPLY TO YOU.

This warranty applies only to the products sold and installed in Canada and the U.S.A. Blanco Canada Inc. will be responsible for this warranty for products sold and installed in Canada and Blanco America, Inc. will be responsible for this warranty for products sold and installed in the U.S.A.

This warranty supersedes all previous warranties for any BLANCO sink, faucet, accessory, soap dispenser, and repair part in the U.S.A and Canada.

This is BLANCO's exclusive written warranty and the warranty is not transferable without the prior written consent of Blanco, in its sole and absolute discretion.
